

Zug Depot of Technical History Neuheim

Dive into
history!

At the Zug Depot of Technical History (ZDT) in Neuheim, associations from the fields of firefighting, industrial and military history, military vehicles and public transport work together to care for and maintain vehicles, artefacts and documents from their past. The Zug Depot of Technical History (ZDT) association was established in 2009 for this purpose.

INTEREST GROUP OF THE ZUG VOLUNTEER FIRE BRIGADE (IG FFZ)

The IG FFZ Zug is responsible for preserving historical records, equipment, materials and vehicles. It organises, documents, restores and stores these items in order to preserve them for future generations and make them accessible to the public. Various vehicles and other exhibits can be viewed at the ZDT.

MILITARY HISTORY FOUNDATION OF THE CANTON OF ZUG (MHSZ)

The MHSZ acquires, takes over, conserves and maintains items of historic military cultural heritage in the canton of Zug, in particular guns, armoured vehicles, military motor vehicles with trailers, and fortifications. Many of these exhibits can be admired at the ZDT. The MHSZ also operates the historical section of the BL-64 «Bloodhound» anti-aircraft guided missile site on the Gubel and offers guided tours.

MILITARY MOTOR VEHICLE DRIVERS' SOCIETY OF THE CANTON OF ZUG (MMGZ)

The MMGZ's mission is to promote off-duty training and continuing education for military motor vehicle drivers, with a particular focus on traffic and transport. The MMGZ offers the opportunity to practise handling and driving military vehicles during driving training sessions at numerous local and nationwide events. The MMGZ's Vintage Vehicle Group maintains the classic military vehicles and trailers at the ZDT, thereby preserving a piece of military history.

ORION-CLUB ZUGERLAND

The Orion Club Zugerland is dedicated to restoring, caring for and maintaining old vehicles and transport-related memorabilia in the canton of Zug. The club was founded when it emerged that the canton's last electric tram, which had survived in practically original condition, was rusting away on a siding. Now recognised as part of the canton's cultural heritage, this item was moved to Zug and is on display at the ZDT in Neuheim.
